

Term & Coverage

This **Lifetime Powertrain Limited Warranty**, issued to you, applies only to your **Vehicle** and cannot be transferred. This **Limited Warranty** will expire the instant the Vehicle is sold to another party, given away, or traded. Any change to the preprinted terms and conditions of the **Limited Warranty** is invalid and of no force or effect. If any information on this **Limited Warranty** is in error, contact the **Warrantor** immediately. If a malfunction, defect, or **Failure** occurs in a **Covered Component**, the **Warrantor** will pay for the repair or replacement of the covered item, subject to the terms and conditions listed herein. **Covered Components** are only those components designated by the **Vehicle** manufacturer as “Powertrain” components, along with the following components (if applicable).

Deductible

All repairs performed under this **Limited Warranty** have a \$100 deductible per visit. However, in the event **Your Vehicle** is repaired under the manufacturer’s powertrain warranty or certified powertrain warranty, the **Warrantor** will reimburse you for any deductible incurred from the manufacturer’s repair.

Limit of Liability

The **Warrantor’s** liability per repair visit, under any circumstances, will not exceed the NADA “clean trade-in” value of **Your Vehicle** immediately prior to **Breakdown**. The total of all benefits paid or payable under this Limited Warranty will not exceed the price you paid for **Your Vehicle** (excluding tax, title and license fees). The **Warrantor’s** liability for incidental and consequential damages including, but not limited to personal injury, physical damage, property damage, loss of **Vehicle** use, loss of time, inconvenience and commercial loss resulting from the operation, repair, maintenance, or use of this **Vehicle** is expressly excluded. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

Maintenance & Records

MAINTENANCE REQUIREMENTS: To obtain the benefits provided by this **Limited Warranty, Covered Components** must be maintained at a Licensed Repair Facility in accordance with the **Covered Component** manufacturer’s recommendations. Failure to follow the manufacturer’s service guidelines may result in denial of coverage. Proper documentation and verifiable receipts for all relevant maintenance and repairs may be required in the event of a claim. Receipts must reflect proper Vehicle documentation (i.e. year, make, and model), the complete **Vehicle** Identification Number, the current mileage of the **Vehicle** at the time of repair, and the date the service was performed. Handwritten receipts will not be accepted. If a **Failure** is consistent with lack of proper maintenance, yet you are able to produce relevant maintenance records demonstrating proper maintenance in accordance with manufacturer requirements, the claim will not be denied. At no time will lack of maintenance records be the sole reason for claim denial.

MAINTENANCE RECORD RETENTION: If you return your **Vehicle** to the **Selling Company** for all maintenance and repairs, your **Selling Company** will not only properly maintain **Your Vehicle** as recommended by the manufacturer, but they will also retain copies of your maintenance records to assure proper record retention.
